### **Sprague Resources LP Announces Fourteenth Consecutive Increased Cash Distribution for the Third Quarter of 2017 and Earnings Conference Call Schedule**

*Sprague increases cash distribution from \$0.6075 to \$0.6225 per unit*

**Portsmouth, NH** (October 26, 2017) - Sprague Resources LP (“Sprague”) (NYSE: SRLP) announced today that the Board of Directors of its general partner, Sprague Resources GP LLC, has declared a cash distribution of \$0.6225 per unit (\$2.49 per unit on an annualized basis) for the quarter ended September 30, 2017. The third quarter distribution represents a 2% increase over the distribution declared for the quarter ended June 30, 2017 and an increase of 11% over the quarterly distribution of \$0.5625 per unit paid in November 2016.

The announced distribution will be paid on November 13, 2017 to unitholders of record as of the close of business on November 6, 2017.

“I am pleased to announce that Sprague has again increased distributions to our unitholders,” said David Glendon, President and Chief Executive Officer. “We remain confident that our distributions will continue to grow by \$0.015 per unit, per quarter at least through the end of 2019.”

Sprague will release its third quarter 2017 financial results before the opening of trading on the NYSE on Tuesday, November 7, 2017. The company will host a conference call on November

7, 2017 at 1 p.m. Eastern time to discuss its financial results. Those interested in hearing the discussion can access the call by dialing (866) 516-2130, and using participation code 87326969. International callers may join by dialing (678) 509-7612. The conference call may also be accessed by a webcast available on the "Investor Relations" page of Sprague's website at [www.spragueenergy.com](http://www.spragueenergy.com) and will be archived on our website for one year from the date of webcast.

Any statements in this press release about future expectations, plans and prospects for Sprague Resources LP or about Sprague Resources LP's future expectations, beliefs, goals, plans or prospects, constitute forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934. Any statements that are not statements of historical fact (including statements containing the words "believes," "plans," "anticipates," "expects," "estimates" and similar expressions) should also be considered forward-looking statements. These forward-looking statements involve risks and uncertainties and other factors that are difficult to predict and many of which are beyond management's control. Although Sprague believes that the assumptions underlying these statements are reasonable, investors are cautioned that such forward-looking statements are inherently uncertain and involve risks that may affect our business prospects and performance causing actual results to differ from those discussed in the foregoing release. Such risks and uncertainties include, by way of example and not of limitation: increased competition for our products or services; adverse weather conditions; changes in supply or demand for our products or services; changes in operating conditions and costs; changes in the level of environmental remediation spending; potential equipment malfunction and unexpected capital expenditures; our ability complete organic growth and acquisition projects; our ability to integrate acquired assets; potential labor issues; the legislative or regulatory environment; terminal construction/repair delays; nonperformance by major customers or suppliers; political and economic conditions; and, the impact of security risks including terrorism, international hostilities and cyber-risk. These are not all of the

important factors that could cause actual results to differ materially from those expressed in forward looking statements. Other applicable risks and uncertainties have been described more fully in Sprague's most recent Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission ("SEC") on March 10, 2017 and in the Partnership's subsequent Form 10-Q, Form 8-K and other documents filed with the SEC. Sprague undertakes no obligation and does not intend to update any forward-looking statements to reflect new information or future events. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this press release.

This release is intended to be a qualified notice under Treasury Regulation Section 1.1446-4(b). Brokers and nominees should treat one hundred percent (100.0%) of Sprague's distributions to non-U.S. investors as being attributable to income that is effectively connected with a United States trade or business. Accordingly, Sprague's distributions to non-U.S. investors are subject to federal income tax withholding at the highest applicable effective tax rate.
